Sri B. NARAYANASWAMY.—Is the Government aware of the comments made by one organisation by name Pumpa Sahitya Samithi of Bellary?

*Sri Kadidal MANJAPPA.—I have read some such report in the '*Deccan Herald*' of yesterday.

Sri B. NARAYANASWAMY.—Is there any truth in the comment that has been made by that Samithi, Sir?

Sri Kadidal MANJAPPA.—There is absolutely no truth.

Sri B. NARAYANASWAMY.—Whether the Inter-State Committee have taken into consideration all the relevant facts to arrive at this conclusion for the selection of these key posts?

Sri Kadidal MANJAPPA.—Yes, they have taken into account all the factors.

Sri B. NARAYANASWAMY.—May I know the strength of the All-India Service cadre that has been fixed?

Sri Kadidal MANJAPPA.—I have already submitted that the strength is 90.

Sri B. NARAYANASWAMY.—May I know the main principle that you have followed for adaptation of laws and division of assets and liabilties?

Mr. SPEAKER.—They ave statedh in reply to Question 1.

Q.—784. Sri S. SRINIVASA IYENGAR (T.-Narasipur).—

Will the Government be pleased to state:—

(a) how many meetings of the Inter-State Committee (formed in connection with the States Reorganisation) were held from the date of its nomination to date;

(b) what are the subjects discussed; and

(c) the resolutions passed?

A.—Sri Kadiadi MANJAPPA (Chief Minister).—

	No. of meetings
(*a*) (i) Inter-State Officers' Meetings	2
(ii) Inter-State Ministers' Meetings	5

(*b*) Some of the important matters in which decisions have been taken are :—

(i) the formation of 4 Commissioners' Divisions ;

(ii) Strength of the All-India Services cadre ;

(iii) the principles of adaptation of laws and the division of assets and liabilities ;

(iv) selection of key officers to posts and also against posts of Secretaries to Government and Heads of Departments.

(*c*) Copies of Press Communiques issued from time to time are placed on the Table. Placed in Legislature Librery No. 24. L. A. 1956.

Sri S. SRINIVASA IYENGAR.—I see from the Press Notification that decentralisation of powers to the Heads of Departments was also one of the subjects to discuss. May I know whether that Committee has made certain resolution in that connection ?

*Sri Kadidal MANJAPPA.—They have opined that decentralisation has to be effected.

Sri S. SRINIVASA IYENGAR.—I that notice in that press communique, a new pay structure for the new State was also one of the subjects. May I know whether decisions have been reached in respect of the pay structure in view of the fact that the new State will come into being on the 1st of November ?

Sri Kadidal MANJAPPA.—It was thought fit that the matter should be left to the new Government that would function after 1st November 1956.

Sri S. SRINIVASA IYENGAR.—What were the reasons that prompted the Committee to leave that question open when they knew the disparity in the scales of salary ?

Sri Kadidal MANJAPPA.—It is a very big and complicated problem. The Inter-State Ministers' Committee felt that it was beyond their competence to determine the common scales of pay before the new State was formed.

Sri S. SRINIVASA IYENGAR.—Was it not one of the points of reference to the Inter-State Committee to draw up a new scales of pay structure ?

Sri Kadidal MANJAPPA.—All the problems connected with States Reorganisation come within the purview of the Committee. But there are certain matters which can be dealt with effectively only after the new State comes into existence.

Sri S. SRINIVASA IYENGAR.—In the Press Communique, I notice that the other subjects that were discussed were reconstitution of the I. A. S. and I. P. S. May I know what the Government meant by reconstituting the cadre ?

Sri Kadidal MANJAPPA.—Fixing the ranks of the officers to be allotted to this new State from Mysore, Hyderabad, Bombay and Madras and then drawing up a new cadre.

Sri S. SRINIVASA IYENGAR.—Are the Government aware that different procedures have been adopted by the Government of India in respect of different States while allocating the services ?

Sri Kadidal MANJAPPA.—The question is not clear. I presume that the Hon'ble Member has in his mind the procedure they adopted in fixing the strength of the officers. If that is so, it is true that in the case of Part B States, the allotment was fixed on a different basis.

Sri S. SRINIVASA IYENGAR.—What steps would the Government take to redress that grievance ?

Sri Kadidal MANJAPPA.—We have addressed a letter to the Government of India.

Sri S. SRINIVASA IYENGAR.—What will be the position of the Deputy Commissioners in the light of the appointment of the Divisional Officers ?

Sri Kadidal MANJAPPA.—They will continue as Deputy Commissioners. They will exercise their own power and the Commissioners would exercise the

powers of the Revenue Commissioner and the L. S. G. Commissioner.

Sri S. SRINIVASA IYENGAR.—I notice in the communique that the size of the Second Five-Year Plan for the new State was also one of the subjects discussed. May I know the decision arrived at by that Committee?

Sri Kadidal MANJAPPA.—We are collecting figures from different States. We are actually at the job. We are collecting Budget figures from all the States and also the figures relating to the Second Five-Year Plan.

Sri S. SRINIVASA IYENGAR.—Will there not be dislocation of works included in the Plans?

Sri Kadidal MANJAPPA.—There will not be any dislocation.

Sri S. SRINIVASA IYENGAR.—Will the Government be pleased to state whether the Government would be running the officers, mess and hostels by themselves?

Sri Kadidal MANJAPPA.—They have not completed the details. It is merely a matter which could be dealt with by officers themselves.
